

Mr. Gabor Kovacs

It is with deep regret that we inform of the death on 26 August 2017, of
Mr. Gabor Kovacs

Member of the ITU Radio Regulations Board (RRB) from January 1999 to December 2006. Mr. Kovacs joined the ITU in 1970 and worked there for 23 years. Among others, he was responsible for the preparatory and post-conference activities for major ITU Conferences, from WARC-MOB-83 to WRC-97 and for the general revisions of the Rules of Procedures in 1983-85 and 1995. He was the first chief of the Space Services Department in the ITU Radiocommunication Bureau, from September 1990 to March 1998.

The ITU Radio Regulations Board and Radiocommunication Bureau mourn a brilliant, courteous and very professional colleague.
